Vocational Restrooms: The staff restrooms in Vocational are locked! We do not have adequate staff to supervise all of the restrooms in the building. The girls' and boys' restrooms; however, are unlocked at all times. Please do not ask Vocational Teachers to unlock the doors as this interferes with class time and takes away the time from the students. Sorry for the inconvenience.

Linda Lloyd, Vocational Supervising Teacher

Horse Riding Events: Ben Marvin, freshman high school student, will be competing in several horse riding events in Tipton on Saturday, September 14, 1991. He competes in the youth division of events such as the barrel race, pole race, ball race, and dash for cash. Ben is ranked in the top ten in the youth division in the state. The events will take place at the Tipton 4-H Fairgrounds on State Road 19, right outside of Tipton. Please make an attempt to go out and support Ben. The vents start at 11:00 a.m. and go on until approximately 5:00 p.m. Ben's first ride will be at about 11:45 a.m.

ISD Enters National Register of Historic Places:

Indiana School for the Deaf (Historic District) was entered in the National Register of Historic Places on June 27, 1991, by the United States Department of the Interior. This announcement was made by Patrick R. Ralston, State Historic Preservation and Archaeology, on July 19, 1991. This action came after two years of work by a committee chaired by David Reynolds and including Laurene Gallimore and Jess Smith, among others.

Authorized by the National Historic Preservation Act of 1966, the National Register of Historic Places is the official inventory of sites with national, state or local significance in the development of our nation's historic, architectural, archaeological or cultural heritage. Listing on the National Register is official recognition of the significance of the site and provides a measure of protection for the property.

In Indiana the National Register program is administered by the Department of Natural Resources. In addition to a degree of environmental protection, owners of listed properties are eligible to apply for matching federal grants for restorations or preservation work, if funds
